## Numerology Final & Certification

We've come to the End of the Course, and I sincerely hope you enjoyed the experience! If you have taken this course just for your own information or to boost your own knowledge and skills, working with clients, then there's no need to go any further!

You do not have to take the Final Quiz & Report Project, unless you want to get Certified as a Numerologist (CNU)....

However, if you would like to get your **CNU** - *Certified Numerologist* Certificate, it's ***included*** with the Course, and it's a quick and easy process!

***It's Just 2 Parts:*** ***First***, you will submit your answers to the *Final Quiz*, which you will find Linked below this document, on the Module #11 page of the Course.

***Second***, is the *Final Report Project*. You will create a Full Numerology "Chart" from an example. Then put the Chart together with a "Report", and submit it. ....That's all there is to it!

Review the end of Module #11, on *Creating Reports*, if needed. You will also find an *Example Report*, Linked below the Final Quiz, that you can go by. You can copy that format, or create your own! It's all up to you!

***Continued...***

## **Numerology Report Final Instructions:**

*What I am going to have you do is simply create a Numerology **Chart**, all 9 Numbers, from an example Individual - and then also create a Full Numerology **Report**, based on that Chart of 9 Numbers....*

*The example individual Name and Birth Date we are going to use is that of Lee Harvey Oswald, born October 18th, 1939. Before the assassination of JFK, he was commonly know as just Lee - Lee Oswald....*

*From the information I just gave you, you have everything you need to create his **Chart** of 9 Numbers ....Each of the 9 Numbers is worth 6 points, for a total of 54% towards the certification, from just the Chart itself....*

*You will then take the completed Chart and create a typed Numerology **Report** from it ...Just like you would present to an actual Client.*

*You can create it as a Word Doc, a PDF, Open Office Doc, ...however you would like. I personally send Clients both a Word Doc and PDF version of the Report - PDF files can be opened and viewed on virtually any device...*

*Then send me an email, with the Numerology Report attached, to the same email address as you sent the Final Quiz to: **dax@thetarotguild.com***

*Put: "Certification - Numerology Report" in the Subject line...  
That's it folks! ....It's that easy!*
